## PROFILE

Aspiring Data Analyst Trainee with strong foundations in SQL, Python, Excel, and Power BI, experienced in data cleaning, validation, analysis, and visualization. Adept at transforming raw data into actionable insights to support data-driven decision-making, reporting, and business analysis in fast-paced, collaborative environments.

## SKILLS

**Programming & Querying:** SQL (Joins, Aggregations), Python (Pandas, NumPy)

**Data Visualization Tools:** Excel (Pivot Tables, VLOOKUP, Power Query), Power BI, Tableau

**Tools & Technologies:** VS Code, GitHub, Microsoft PowerPoint, Word, Figma

**Soft Skills:** Analytical Thinking, Client Communication, Problem Solving, Collaboration, Business Acumen.

## EDUCATION

**B.Tech Information Technology**

*Panimalar Engineering College, Chennai City Campus, Nungambakkam*

**Graduation: 2026**

*CGPA: 8.9*

## INTERNSHIP

**Virtual Internship – Data Analytics — Deloitte Australia (Forage) | Tableau, Excel, JSON**

**January 2026**

- Analyzed machine telemetry data from 4 global factories using JSON to identify high-failure locations and machines.
- Developed interactive Tableau dashboards to visualize breakdown trends and operational performance.
- Performed Excel-based data classification to evaluate gender pay equality across roles and locations.

## PROJECTS

**Customer Satisfaction Survey Dashboard | Excel, Power BI**

**August 2025**

- Engineered an interactive Power BI dashboard analyzing 100+ customer survey responses across 5 service attributes, improving satisfaction analysis accuracy by 30%.
- Designed KPI-driven visualizations to track rating distribution and time-based trends, reducing manual reporting effort by 40%.
- Implemented dynamic slicers, filters for attribute- and date-level analysis, accelerating decision-making by 25%.

**Sales Dashboard for Regional Performance | SQL, Power BI**

**December 2025**

- Queried and joined 3 sales-related tables across 12 months and 5 regions using optimized SQL joins.
- Built 10 dynamic KPIs in Power BI to track regional sales, returns, and product performance.
- Presented dashboard insights to simulate stakeholder and business reporting use cases.

## CERTIFICATIONS

- Microsoft Power BI Workshop — Skill Nation (2025)
- Basics of SQL: Aggregate Functions & Joins — Uniathena (2026)
- Information Security Practitioner Course — TCS iON (2025)
- Digital Marketing Fundamentals — IIDE The Digital School (2025)

## ACHIEVEMENT

- Earned 3rd rank in Semester 1 departmental exam, awarded cash prize for academic excellence.
